NEW BUSINESS CONTINUED:

Parent Committee for boys basketball banquet

Committee was wondering if the boys basketball team will receive the money due back from the state for mileage reimbursement. Mitch Gray made the motion to earmark this money for the boys basketball team's future requests and Bruce Hunter 2nd the motion; all were in favor of earmarking the money for the boys basketball team when/if it is received from the state.

The committee also requested a donation from booster club for the boys basketball scorekeeper. It was brought up that nothing was ever done for the girls basketball scorekeeper. Sandy Allen made the motion to purchase two (2) brief case type bags with the names on them for each scorekeeper, Mitch Gray 2nd the motion; all were in favor of donating these bags for the scorekeepers.

Possible new equipment for concessions

We are in need of a new cover for the hot dog machine, Sandy was going to get the name off of the current machine, Amy & Rod have some books that we may be able to get a new lid possibly stainless steel. Amy & Rod also mentioned that they have a company that sells the dual cheese/chili machine for nachos. We will look into this for possibly next football season.

Also we are going to have Matt Carney take a look at the electric in the booster buggy due to the fact that we keep blowing switches when we plug in to many things. We may be able to have this fixed by next football season.

Received Thank you card from cheerleaders, Dawn Woods regarding Glens Falls trip

The card was sent around for everyone to see

Received Thank you card from Erin Smith regarding money for Sec. IV Soccer team

The card was sent around for everyone to see

Any one interested in staffing concessions for softball or baseball games?

Barb Poole and Lori Owens both offered to run the concession for the girls games.

It was also brought up about why can't the boys baseball team play on their field. The answer to that was: When the trucks were in there last year to put up the fence, they left ruts and these need to be taken care of first. Also the roofs on the dugouts can't be done yet due to the fact that it is to wet and we can't get trucks up there.
